# Nature Lovers

We love living on a healthy planet, which is why we always work with the utmost attention to **environmental sustainability**.

# Made in **Italy**

We process raw materials from the best sources all over the world, but the **know-how** and the attention to quality are **100% Italian**.

# Innovation

We investigate and carefully analyse the needs of each cat to create products that are increasingly functional, **comfortable**, and **sustainable**.

# Your cat deserves **nothing but the best.**

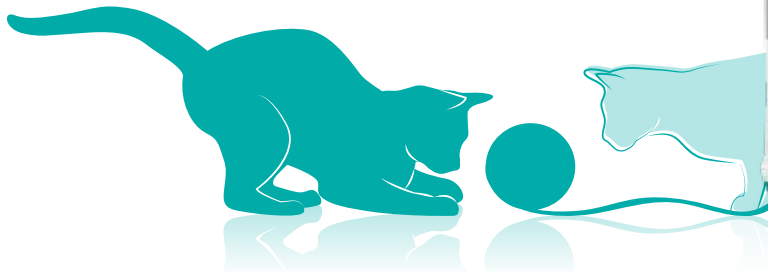

We are a company that extracts and processes minerals from our own mines in Italy, France, Turkey and India and distributes them worldwide.

**Research, development**, and **innovation** are the company's main assets. The high quality of the minerals and our raw materials, combined with respect for the environment, allows us to offer to the international market excellent litters, specifically made for small pets.

Because **animal lovers** can be spotted at first sight.

# Active Carbon

Higher odour control

**NEW**

WITH ACTIVATED  
CARBONS

LONG  
LASTING

Made of 100% white bentonite with a semi-compact grain size to provide a quick and strong clumping. With natural **activated carbons** for more effective odour control properties.

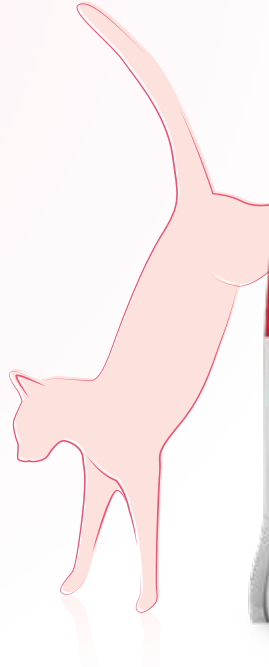

5 L

# Natural Dry

Odour-free  
and ultra-absorbent

5 L

Top-performance cat litter, 100% made of **natural clay** with a high odour and absorbing power. Thanks to its specific lamellar structure of this mineral, the bacteria – which are the main cause of bad odours – are quickly entrapped and neutralized. This product is completely natural and chemical free.

EASILY  
DISPOSABLE

STRONG  
CLUMPIG

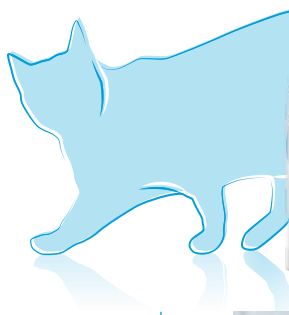

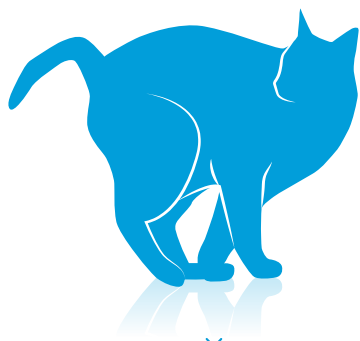

6 L

Signor Gatto Green Power, **100% made from softwood**, is clumping cat litter with a high capacity to absorb liquids and retain odours. No trees were cut down to make it, as it is derived exclusively from secondary raw materials from the wood processing industry. It can be disposed of in the organic waste or, in small quantities, directly into the household toilet.

Sales unit	Paper bag
pcs x pallet	169
palletization (pcs x layers)	13 x 13
Kilos x pallet	~ 406
EAN CODE	8006455014021

# Crystal Light

Ultra-light  
and odour free

ULTRA-LIGHT

ODOUR  
FREE

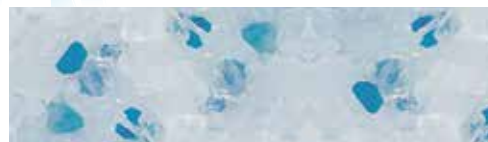

DUST  
FREE

ULTRA-ABSORBENT

Made of **silica gel crystals**, an ultra-light material with hypoallergenic properties and an exceptional absorbent performance. Signor Gatto Crystal Light is dust free and does not stick to the cat's paws.
